“ *All you will truly be missed by all of our family. Through the years you and Bernie worked with your computer and Bernie enjoyed all the conversations he had with you. The boys thought of you as one of the family and since our yards backed up to each other cutting your yard made it one big extension of our yard. Kathy has known you all her life and treasures all the memories. Both Bernie and Kathy will miss the conversations in the back yards. It just won't be the same without you there. Our thoughts are prayers go out to Mark, Kathy and Ellen. We know you are among all your friends....maybe there will be a McDonalds in heaven for you to go and get your morning coffee. Keep an eye on all of us while you are up there.*
