“ I will so miss Barb. I had just gotten to know her better the last few years. She had gone on a Quilt Hop with me and others from the church. What fun she was. Please know that we have you in our prayers but know Barb is singing and enjoying her next journey.###imported-begin##Linda and Dave Repp###imported-end##

“ Dear Cindy, Brad and Joe

I am so sad for all of us at the passing of your Mom. You know she treated me like a son and I always thought she was my "Mom away from my Mom". I will always hear her laugh in my ear. I will always hold her close to my heart. She was just the best "Auntie" that any one could have. I appreciate all that she did for us kids(Mike, Robin, Brian and I) as we were growing up!!! God Blessed all of us for knowing her!!!! Thanks, Auntie... I love you all... Rod##imported-begin##Rod##imported-end##

“ You have our sincere sympathy. Barb was a very special person as this story will reveal. When I first began helping with the Triway Music Booster's dinners, after the dinner was served, I mentioned to Barb that I was hoping to get a piece of raison pie but it was all gone. After that when I helped serve, there was always a piece of raison pie on top of the cupboard waiting for me. Thank you Barb. You're in our thoughts.

“ I was absolutely heartbroken to hear about Barbara's passing. I met her about a year ago when she came into my place of work to shop. She was so beautiful and kind, calling me by my name and bringing a smile to my face always. I loved hearing her voice and seeing her smile. I hope your family can take comfort in knowing that she talked about you constantly, even to a random store cashier like me. I'll miss her beautiful self, the world is for the worse without her. I'm sorry for your incredible loss.###imported-begin###Amanda Porter###imported-end##
