“ To Annette and Family, My deepest sympathies go out to you. Each time I make a pot roast I will especially think of your mom, who helped me to overcome bad gravy. She was a very independant woman, and you children and grandchildren let her go with dignity and respect. Rest In Peace, Betty. Angie & Greg Laskowski

“ You were the greatest Mom a son could have ever wanted. You worked so hard and long doing whatever was necessary to protect and care for your children (not kids--goats have kids, people have children). Mom, I know you are so glad the suffering is over and you and Daddy are together again forever. Everything about you will be missed especially the special favorite birthday meals prepared for each child. I love you and will never stop thinking of the both of you. Rest in Peace, Mom.

Your Son, Junior (JR)
