“ *Gone too soon honey. I know in my heart you are pain free and back to my Bryan again, but this still sucks. Can't say that I would do ALL of the past 26.5 years over again, but our journey made us the people we are and gave us 2 awesome children who we are so proud of. I am grateful for that. I'm sure you are looking down and realizing how much of an impact you made, not only on our immediate family, but also our extended families. You were on special guy. They are taking good care of us and I know they will get us through what ever life brings. I'm not ready to look too far into a future without you yet. "I'm getting there." Just taking it One Day At A Time. Miss you. Love you!!!!!!! Me*

So sorry to hear about your loss. Brian was a guiding light within the fellowship of AA and was loved by all. He often spoke of his love for his children and wife within the rooms and was a power of example to myself and many others. May mynLORD and SAVIOR JESUS CHRIST send the COMFORTER to rest on all those who grieve his loss. In JESUS name I pray. AMEN

Brian was my best friend up until about age 14 when we moved away. We had so many good times and he was such a free spirit and very funny. We recently reconnected on Facebook and I thought oh we'll get together sometime. I'm truly sorry that never happened. Condolences to Brian's family and his mom and brothers and their families.
