“ Kathi, I am so sorry to hear about Carl. One thing that I will always remember is.. at work, if there was something about any electronics we didn't know, call Carl. And we could tell he enjoyed sharing his knowledge. Then there was the unspoken words that were obvious to your co-workers, was how happy you and Carl were together. He'd come in and meet you for lunch, I always enjoyed speaking with him for a moment while he waited for you.

God Bless you and your family.

“ I enjoyed working with Carl at Ken Cleveland Builders and am extremely saddened by this news. I will always remember asking him questions, getting very detailed answers (some of which I didn't always understand!) and watching how he enjoyed being our "walking encyclopedia" around the office! My favorite memory is one in which he complimented me on my house closings....where he said they "were typically very smooth closings because I followed up to the end." I thought a lot of him for his willing assistance, knowledge and intellect. He and Kathy and his family are in my daily prayers. A long-time, previously scheduled trip out of state to visit my son and daughter-in-law will prevent me from attending his service this weekend. I will be there in spirit. With sincere sympathy, Jane Kolenda, Brunswick, OH.
