“ It seems as though we have known each other forever through good times, bad times, old times, bar times, kids times and now grandkids. We knew each other forever and every time we saw each other, you were always glad to see me with that big smile of yours and a hug.

I am really gonna miss you and Bill. I know you are no longer in pain, but selfishly I wish you were still here to see our grandchildren grow into the wonderful men that they are going to be because, thanks to us they know the love and kindness of grandmas. Don't you worry,while you are watching over, I will do my best to take care of your girls and our boys.

I love you and will miss you very much. rest with the gods and never fear for all will be cared for here. Love Vicki##imported-begin##victoria riggs##imported-end##
