“ My Uncle Dale was one of the greatest men I had in my family. I remember when he came down to Ky. with my dad, George Aunt Dean's brother. It was the middle of summer, they came to pick up me and my brother Kermit to move in with Him and Aunt Dean. He asked how we could stand the summer in the south without an air conditioner...lol! The simple fact that he took us in without a blink of his eye. He and Aunt Dean were the perfect couple. I love him and will forever be indebted to them for the rest of my days. He is with her again and will be forever now....<3
