“ To my beloved niece and nephews,

Your Mom was a cherished part of my life, as you know. I love her nearly as much as my own Mother as she will be missed dearly, It will seem to me as I;m sure it seems to you that she isn't with us here on earth anymore but I know that she is in a place where there's no sorrow and she's with family wating for the rest of us. I Love you all,

“ I loved my aunt Dee very much. She was always there when I needed her my whole life. Growing up as a little girl and now as an adult, but now she's gone forever and I wasn't able to tell her goodbye or how very much I loved her. So Aunt Dee, if you're able to hear me, please know that I've loved you all of my life and I'll never forget you. I'm so sorry I wasn't there when you needed me most that I let my pride keep me from calling you up to tell I was sorry. You always said you wanted to be with Jim, grandma and grandpa and now I know you are, Be happy where you are, and God Bless and be with us all.##imported-begin##Debbie Berry##imported-end##

“ Brad, Brian, and Dawn Renee,

I was saddened to learn of the loss of your Mom. It was many years ago that I knew her, but I kept up with her life through family members. I am praying that the Lord will comfort and hold each of you in His loving arms as you go through this sad time in your lives. You are in my thoughts and prayers.

One thing i admired about her,was,that she would say what was on her mind,no holding back,she had such a wonderful sence of humor,would light a room with her style and dress,I loved her like a Mom,and will never forget her.But i take comfort knowing she went peacefully,and is now with her soulmate Jim.(my best freind)##imported-begin##Rick Berry##imported-end##
