She prayed at 4:30am in the morning and she did that for 52 yrs. You could feel her prayers of intercession. She was committed to her Lord and Savior up until her home going. It is because of her and Bro. Lucas that my family was brought into the Apostolic truth. I am so grateful!!! To say she was my neighbor, pastor's wife, kindergarden teacher, high school home ec teacher and countless other roles is a privilege. “ I want to send my love to the family of Sister Lucas as she joins her wonderful husband in the presence of the Lord. Sister Lucas has been a cherished memory since leaving Wooster for the Army, then Bible College, then to Australia. She was refreshing comfort on every brief return home. I can still hear her singing on the piano, "Somewhere in the shadows you will find Him..." God bless you all. I wish I could be there for the hugs and tears. “ To Sister Lucas' family,
You don't know me, and I never actually met your mother face to face, but have the most beautiful quilt she made for my mother in memory of my father. Through our mutual friend, Norma Shelton and a few shared emails and letters, I grew so fond of her and appreciated more than you will ever know. Her kindness and love shared with me was so warm in her words and in sowing each stitch of Daddy's tie quilt. Please know our family in Bedford is lifting you in love and prayer to get you through this difficult time. I lost my Daddy to cancer, too, so I've been there. But what great peace we have that pain is gone and God's glory will be for evermore. Thank you for sharing a little of her with me and Love and Prayers to you all,

“ *Sister Delores Lucas was an example of God's Compassionate Love to all that she met. She would get up early, and go to prayer, and if you are reading this, Sister Lucas without a doubt prayed for you too. She taught the Discipleship Class at church, and when she was teaching, all could feel the presence of the Lord. We sang together for several years, and those precious memories will forever flood my soul. Sister Robinson and I would like to express our heartfelt condolences to her children, and their families, and her relatives, and also to all who loved her.*

“ Sis Lucas has held a very special place in my heart for 28 years. Her unconditional love for God amazes and inspires me. I remember all those Wednesday's in chapel when she would lead us in worship singing "oh I want to see Him, look upon His face. There to sing forever of His saving grace" ... Sis Lucas was annointed with power...I can still hear her prayers ringing out every morning before school. Dedicated would sum up the words to describe her...I love her...and I will be seeing her on the streets of gold real soon.

To the family: You are in my prayers. We love you!
