“ Kathy and Jessie, words fall short in expressing how sorry we are for the loss of Al. He was such a darned good guy. I always thought it was touching how the two of you struggled through the trials of life, just becoming closer and closer. I always admired the love the two of you shared. Its one in a million. May Al be blessed with eternity in joy and gladness. We love you and always will. You are "good people" and its an honor and privilege to call you friends. God bless and keep you always.
