“ Erin was a great friend she was always there to listen and give honest advice. She would never judge me and I felt like I could tell her anything. We grew close over the two years we spent together at Ashland. I will always cherish our memories of hanging out at convo, talking till the sun came up, walking dogs, laughing so much we could barely breathe and supervising her walks to class on her crutches. My deepest sympathies go out to Kennedy, Tony and the Alleman family for your loss. I know that you will all do an amazing job helping to raise Kennedy because you did such an amazing job raising one of the best friends I ever had.

“ I know you are no longer in pain, but your family will never be the same.

We cannot believe you are gone. This feels so unreal, it just feels wrong.

Taken away so young when your life had just begun.

I can feel you, I know you are there.

You cannot hug me, but I know you care.

Though my eyes cannot see, I know you are standing close beside me.

I cannot tell you what K.K. did today, but that is O.K.

I know you know - because...

your watching through the rainbows!

I love you Erin! Hold pap's hand till we are all together again!

“*Erin was truly one of a kind! A kind and gentle soul. Her sweet voice on the phone brought me through some of the most difficult times of my life! she often called me her favorite Aunt and that makes me feel very special. Kennedy Kay is a precious gift Erin gave to us and she will always live on through her. Erin was a bright and colorful person who had the confidence I wish I had. I believe she wants us to remember her whenever we see a rainbow because I have seen many since her passing. People say there is gold at the end of a rainbow, I believe Erin is that gold! Shine bright Erin! Love, Aunt Nora!*”

“ Erin was always such a sweet, caring young woman. I had the privilege of having her as a student in my classes at Triway High School, and she served selflessly as a member and President of FCCLA. She has touched the lives of many. Her smile was always the brightest, warmest, most genuine thing about her, and could brighten even my worst days! Her untimely passing is such a great shock and sadness. My prayers and sympathy go out to all of her family and friends.
