“ *Please accept our sincere sympathy and wishes for God to grant you His comfort and peace at this time of Ethel's relocation to her heavenly home. She was always a kind and pleasant neighbor to me since I moved into the apartment complex we shared. Some people just seem to make it their business to make others feel welcome. Please know that she will be missed and fondly remembered. My daughter Lora and son-in-law Milton (who both live nearby) join me in sending our warm thoughts and prayers in your direction. May the Lord be your strength. With kind regards, Loretta Thompson.##imported-begin##Loretta Thompson & Family##imported-end##*

“ I just wanted to let the family know how much I loved their mother. I only knew Ethel for a couple of years, but she was my favorite client. I cleaned her house and I always looked forward to visiting with her. Ethel always made me smile. She had such a kind heart and I will miss her. She was a blessing to many.
