“ Grandpa, so much of who I am are because of you. I think my hardheadedness, stubbornness and mostly my desire to work hard and not complain comes from you!! It has gotten me to where I am am today! So many memories of pig roast, big wheels, fishing, spending my summers with you and grandma on a job site, and sled riding down the hill. I really had the best childhood a kid could ask for. Thanks! You will be missed but never forgotten. I am thankful for our times together##imported-begin##Brittney##imported-end##

“ I loved growing up in Shreve and hanging out at the barbershop. it was there I met "Sonny Morris".... It was so much fun hearing his stories, which were many, and he would always picked on me. I remember one time, Sonny, my dad-Ralph and I went to a "cock fight" somewhere in the hills southern ohio. I remember it being in a barn....what an experience for a 12 yo..... Sonny seemed to know where these were and I was so excited to go with the guys and especially Sonny. He always had so many stories and I always enjoyed hanging out in the barbershop listening to them... I'm very sorry for your loss and he will be missed.....He is a big part of my childhood I remember well!!!!##imported-begin##Brad Burnett##imported-end##
