“ We first met Floyd while visiting Jimmy and Susie. Sometimes you can tell instantly about people and we had an immediate reaction about Floyd. We knew that he had a gentle soul. He was a caring person. I know he will be missed by all that knew him. Our thoughts are with all of his family and friends. There will be an empty place in many lives.##imported-begin##Doug Hall and Cynthia Litchfield##imported-end##

“ Floyd was our "across the street" neighbor for a number of years. We lived on Armstrong Drive in Wooster until 2001, right across from Susi Shie and Jimmy Acord, through whom we met Floyd. He was a wonderful free spirit who dearly loved his grandchildren! We never bowled nor went to a car race with him, but we did enjoy seeing the pictures of his grandchildren which he proudly and excitedly shared with us. Help him be remembered to them as the years go by. Our best to you as you deal with this new sadness in your lives. Dee and Jim.##imported-begin##Delene (Dee) and Jim Perley##imported-end##

“ I am Floyd's daughter. Thank you all for your thoughts and prayers. Some of you may know that my brother and myself are going home after the services at Custer Glenn. We are asking that if you would like to make a donation to the funeral home, to do so. Dad didn't have much money as do either of us. If you or someone you know would be kind enough to help us handle this expense, it would be greatly appreciated, Floyd was a great man ,kind and sharing . We both thank you all for your support. God Bless You All###imported-begin##Erica Mayo(Kerr)###imported-end##

“ Dear Floyd and Erica and family. We're so sad about your father's passing. Floyd was a part of our family for so long, at least 15 years, from when he moved in with Jimmy out at the leather shop in 1984, and later all the years at our house in town.

He was always eager to lend a hand, whenever someone needed help, and he was very honest. Few people live in the moment the way Floyd did. He was gentle with children and pets, and he really got joy out of simple things, like his beloved bowling and racing.

We hope you have peace, in knowing that your father was loved by many friends, the man his mother called Flodders.

Love, Jimmy and Susi###imported-begin##Jimmy Acord and Susan Shie###imported-end##

“ Met Floyd when he came to Fairfield, Il. with Bubba to go to sprint car races with us. Floyd made the trip to the races unforgettable. Floyd was a good ol' boy. No matter what happened Floyd's answer was always "Oh Well".

*You will be remembered Floyd.*
