“ We were so sorry to hear about your mother! I got to talk to her outside the doctors office about three weeks ago. We thought she was still in Michigan. She was such a sweet and caring person. We had such good times with your family in Apple Creek. Our prayers go out to all of you. We r on our way home from vacation or we would be there.

“ Georgia Landes came to Jeromesville school and I found out that we were (related) thru our extended families. We were very good friends while we were in school. She was in the wedding party of our wedding in 1961. We kept in touch for awhile and then I didn't know where she was . I am truly remorseful to learn of her passing. We have Dr. appts. and cannot attend the services. My sincere sympathy to Pauline and to her children, which I never knew.
