“ I am very saddened that Gladys passed away ,I can see her kitchen light on from my window ,last spoke to her around Christmas, wish I would of went to visit her this past winter, but d/t the freezing cold I did not. Gladys would talk to me for hours when I visit , we took her to lunch, once went to church together, did some shopping , in the summer would sit in her yard and visit. Gladys was so misunderstood here in this world, she was lonely. She was a very caring lady, and I hope in heaven she will be happy and rest in peace! I will miss her.
