“ We are so sorry to hear of Glen's passing.
The 3 of us always enjoyed talking to him
and remember the good times at the Kaylor reunions. Roberta
especially remembers the fun that she and Glen had trying to place
a dam across Sippo Creek. Please know that you are in our
thoughts and prayers.

“ My condolences to the entire King family, but especially Jeff, who I
have the honor of calling a colleague. The good work of Mr. King
will truly live on in the son that I know, and I am sure in the rest of
the family.

Again, my most sincere condolences.##imported-begin##Stewart

“ I worked many years with Glen at Hawkins and loved his sense of humor. I especially remember a time he had new glasses. A cashier came in the Service Center, looked at him, and said something looked different. He told her that he shaved his mustache. As she walked away he gave me that sheepish grin and we just laughed. I am so sorry for your loss.##imported-begin##Krista Way##imported-end##

“ I will always admit to being a "daddy's girl." I'm very blessed to have had a father that taught me the values of working hard, having fun, and always being there for family. These values I pass onto my children who also learned them from dad (along with being spoiled a little). He was able to watch his grandchildren grow into the amazing teens they are which I consider a great gift. He will be missed but a part of who he was will be carried on in us.##imported-begin##Tracy K. Deeken##imported-end##
