“ Hey girl.... Just found out today... I know it's late but just know that I had many good memories with you. I always knew you had wings when we were together, but you seemed to hide them well. You were my angel at that point in my life, and now your everyone's angel. God Bless you and may you rest in piece. My heart is broken. I wish I had known sooner...

“ I enjoyed getting to know Haley a little better on the mission trip to Brazil. She had that rare blend of sweetness and silliness! I know how it feels to reel in the disappointment of losing a child--letting go of so many hopes and dreams. On this side of Heaven, we will never understand "why," but it is important to remember that even when we can't see God's purpose, we can be sure that He has a purpose ... and one day, on the other side, we will understand. In the meantime, rest in the vision of Haley's delighted and amazed face as she sees Heaven for the first time and basks in the presence of Jesus! I like to think that our Nickolas was part of her "Welcome Home" party and he can stroll around showing her a few of his favorite nooks in Heaven!
