“ It seems like it was just yesterday that you and I were sitting alongside of the lake having one of our long conversations. I'm going to miss seeing that warm, welcoming smile that everyone knew. I hope that there's a dirt track in heaven because if there is, im sure you and grandpa are up there making laps right now. I'm not going to say "Goodbye" but instead "See you another day". Rest in paradise Hans.

“ I will always remember this smile!!!! Oh our fishing stories, Ronnie and Hans could be a mile apart and still get their fishing lines tangled. Remembering this little boy, stepping on the fish and saying 'look out fish here come your guts', sitting around the fire, NOT sleepy!! Always hungry in the morning as he came down across the yard to the campers! You can be at peace now, my little buddy!

“ Hans had a very beautiful smile. And was a very nice person. I will miss seeing him at the races. His big smile and his big hugs. I watch Hans and the other kids grow up at the race track. Wayne County and Pennsboro those kids were always into something..lol. They made it fun. Your family has always been so nice to me and my family. We are truly thinking of you all and sharing tears with you.

“ To the family of Hans - I graduated with him and he was a quiet but fun guy and very sweet. I recently lost my uncle (who was more like a father) in a very difficult way and am having a hard time dealing with that myself. If you would ever need someone to talk to please don't hesitate to contact me. My thoughts and prayers are with you all.
