“ RIP Sis! Gonna miss you. Too young, too soon! But we are going to celebrate your life June 9 at Gary Lee's house! You will never ever be forgotten. I still cherish my stupid teenage days when you took me in in the middle of the night! And still laughed at me when I played with Chads Fozzy Bear! Love you so much Sis!###imported-begin###Dena Kage###imported-end##

“ I never really got the opportunity to meet or talk with you but from all the stories and memories I've heard about you tells me that you were strong willed with a good head on your shoulders. We may not be family by blood but the way your family welcomed me with open arms they made me feel like i was always apart of it. You will be missed dearly and will always be here with us in heart and spirit. Much love for you and family.
