# Tribute Wall

“ I'll miss you forever, Omi. I know you are so happy to be reunited with Papa and you've missed him terribly since his passing in 2000. I can't wait for the day when we are reunited, enjoying root beer floats, taking walks, and listening to baseball on the radio. I will never forget and will cherish every moment we had together. 26 years of time knowing each other was not long enough and I am forever grateful for the influence you made on my life. You were the best grandmother ever and never forget how much you still mean to me today, and always.

*I love you.##imported-begin##Andreas##imported-end##*
