“ The Chupp family moved to Virginia when I was about 9 or 10 years old, and their family and ours immediately developed a close friendship. There were a lot of kids between the two families and many good memories were made! Sad day for us when the Chupps moved back to Ohio....Daddy helped them move and I remember the day well. We went to Ohio many times to visit them after that, and Irene and Dan both always made us feel like family. I remember swinging from the rope up in the hay loft (what were we thinking?), Irene cooking chow mein or something similar to that, and just so much fun. I am sorry to hear of Irene's passing, and I know she will be greatly missed. Much love to all of you.

“ Dear Chupp & Troyer families. My prayers & thoughts are with you during this time, I'm sorry I can't attend the events of your mother's home going. I appreciated your mother a lot. She was a sweet, gentle, & kind lady & set a great example to many of us younger folks over the years. May God's comfort & blessing be with you through this time.
