“ To Gingers family, she spoke of u often with a smile on her face. Pray she has found her peace of mind. She worried so much about other people & loved her animals. Sweet dreams Ginger!

“ Ginger you will be greatly missed by the strouse family. Knowing you was a blessing. Hearing your stories about your family and your love of cats were wonderful. We always tried to make sure you made it home safe. If things needed to be fixed we did our best to get it done for you. You will be missed.

“ I did not know Ginger for very long. I had met her on the road and gave her a ride to town a couple of times and visited her a few times. In those times she was a very caring Lady. She was always concerned about her cats and wanted to make sure she had plenty of food for them.

She talked about her husband and how much she missed him. Ginger also talked about the Lord and knew Angels were watching over her. Patricia Armstrong
