“ Mac was such a nice guy. My dad was his roommate at the care center over Christams. We so enjoyed getting to know him. He was always in good spirits and interesting to speak with. He shared bible verses that gave him comfort with my mom. May you be at peace with Jesus. Fran Gengo

“ Dear Mac you truly are a character, and yes he loved to eat, we would bring him KFC, Hero house and Mcdonalds at the nursing home. He would have dinner with our family. My mother who is a resident at the nursing home will truly miss you sir. She will miss the bickering back and fourth with you.

“ Mac was a great longtime friend and co-worker. We spent many hours together working at Indian River School as well as working in private security .Mac was known for his big appetite. Professor Mac never had a loss for words of wisdom and shared them with all he met. Rest in Peace my brother! You are going to be truly missed.  
Love, Dion
