“ *Please accept my condolences on the loss of your father and brother. I met with Jim in December and January to help him with community supports. He was always pleasant to talk to and seemed to be adjusting to life in the community.
As a Center for Independent Living, we believe that all persons with disabilities should be able to chose to live in the community and to receive their healthcare where they choose.
My thoughts and prayers are with you.

“ I sincerely want to extend my condolences to the Jim Fiscus family. I grew up on South Buckeye Street in Wooster, Ohio and attended Walnut Street Elementary. I remember both Jim and Stan from throughout our school years. They were great guys who always stuck together and had many good times while playing after school at Schellin Park.

I lost track of Jim and we missed him at our class reunions. He was one of the 'south end' guys who always had a smile and a kind word. I truly hope you have great memories of him. He will be missed.##imported-begin##Terry Biddle##imported-end##

“ *Dear Fiscus Family:*

I have no idea if you remember me or not but we went to elementary school together for a year or two and, if I remember correctly, bowled together at Triway Lanes.

Your Aunt Paula and Sharon Stevens go to Parkview Church where my family goes and when I read the e-mail about your father' passing, I felt compelled to let you know your family is in my prayers.

Please accept my heartfelt condolences. May his soul rest in perfect peace.
