“ To Jim's family,
You have my deepest sympathy and prayers. Jim & I spent alot of time at Pomerene Hospital talking in the last almost two years I worked there. He always was a very polite gentleman and talked alot of his love for his family. Always brought the Lord into his conversation and was so helpful to the patients or visitors that came. He loved the amish and admired them greatly. God bless you and keep you thru this hard time. Jennie Parson###imported-begin###Jennie Parson###imported-end###

“ I was so shocked to hear of Jim's passing! My heart breaks for his family! He was a wonderful person to work with and I truly enjoyed our lunches together and short trips to different places that were always a surprise. I will never forget Jim's kindness. Stubborn and generously kind. I know he is with the Lord and will look upon us from time to time. Tommy especially, Megan, Taylr and Dakota - remember the good things about Jim always!###imported-begin###Cathy I. Cain###imported-end###

“ Jim enjoyed and cared for people. He spoke to everyone. He was never without either a peppermint patty, chocolate covered cherries or popcorn to share. He enjoyed the simple beauty of nature and spoke of the awe he had for the creator of such beauty. He spoke of his family. He spoke of the losses they had shared. Now my prayers go up for his family and friends in loosing him.

Sincerely,

“ It has been such a long time since I have seen Tommy. He was older than me. Once we lost Aunt Lena we all lost touch. I am very sorry to hear he is no longer with us. Our family is getting smaller. We only have one Aunt left. She (Gladys Ratcliff) is the wife of our Uncle Roy who was Aunt Lena and Daddy's brother. Our family is spread all over. I would have liked to have seen Tommy again and met his family. My prauers are with them. May God bless you. With all my Love your Cousin Lynn###imported-begin##Lynn Ratcliff Fleming Daughter of George & Cora Ratcliff###imported-end##
