“ *If everyone could see life through Janet's eyes, this world would be such a wonderful place. Her innocent smile, a simple kiss on the cheek, how she would squeal with excitement when she found out "Carole was coming", showing off her freshly painted fingernails/toenails, her hand gestures talking about swimming, and how she loved the potpies from Bob Evans will be the things I remember most about this sweet soul. Heaven certainly gained another angel when Janet walked through the gate.##imported-begin##Angie Chrostowski##imported-end##*

“ *Janet was a beautiful individual. She always made me smile. Her wit and ornery nature would make me smile even after she left the room. I was truly blessed to call her my friend. She will be missed!##imported-begin##Kathi Good##imported-end##*
