“ Ron seeing these pics bring back so many sweet memories of Jo an you when we were in high school together. Seems like yesterday. We were just devastated when we read the paper. We just hope time will heal an bring you some Peace you have so many wonderful memories. She adored you so her face would light up when she talked about you all. I know that's why she moved, to be closer to your daughter which was a great loss to us because we didn't bump into her anymore an I loved talking to her at garage sales especially yours. Jo was a loving gal so Beautiful an Kind. Blessings to you Ron an your Family with Our Deepest Sympathy Sincerely Rosemary Sacco Chorpening an Steve

“ I will miss Jo has she has been apart of our YMCA family for a number of years. I knew it was going to be a good day when we would chat in the locker room as she always had a huge smile and would say "Good Morning Crissy". Jo was a gentle soul with a huge heart of gold. She so loved her family and they are her greatest legacy which she has left to this earthly world so continue to walk proud in her footsteps just as she will continue her walk with you all. She loved gardening and her dogs as well. I wish for her entire family a sense of Peace during this difficult time. Blessed be.

“ Jo is going to be sadly missed by anyone that knew her. I had learned so much from her over the years and truly admired her knowledge and personality. We were always on the same page and trusted her instinct and fore site. I will really miss this gal, when she came in February to show new product it never failed she left in a flurry of snow. We nicked named her "Stormy"! She loved coming and we loved seeing her! My heartfelt sympathy to her family and friends at the Y, she talked of you often and loved each of you! God has very special plans for her and know she is no longer in pain.

“ My prayers to Ron and family. Joann and I go way back to grade school. We had such fun waiting on the bus every morning, having classes together. She was a friend that we could always pick up where we left off no matter how long it was between meetings. I thank God that I knew her and always enjoyed her smile. RIP my friend.

“ First of all my heart felt prayers go out to the family. Joann was a neighbor and I adored her. She came to my house one Christmas and helped me restring lights on my tree. We had a great time. As an avid garage saler she has been to mine and me to hers. It was really just a chance to visit. What a wonderful warm woman. I will miss her as I'm sure all the lives she has touched will.
