“ *Gwen, Hans and Chris*

I am so sorry for your loss. Nellie was a wonderful and very caring person. She was also a great cook and used to send samples to me through Gwen.

My thought and prayers are with you during this most difficult time. If there is anything I can do for any of you, please don't hesitate to ask. Sorry I couldn't be there for you when this happened.

“Gwen, I'm not sure if you remember me from school, but I am Debbie Kersten Riggs. I always remember you as being such a sweet person and wanted to let you know that you, and your family have my sympathy. I ran into you and your Mom many years ago, maybe at the grocery(?) and I realized where you got your kind personality when I met your mother. I hope you enjoy your memories of her and they help you through this time. Sincerely, Debbie
