“ My brother, Ronald Owen Frazier, and I send our condolences to your family. Lloyd and our father, Roy Lee Frazier, were dear friends for many, many years. Lloyd stuck by our Dad during our Dad's life changes. Lloyd stayed a constant friend and offered stability and loyalty to his friend. My brother, too, benefited in knowing Lloyd in their long talks together in recent years about current events, religion, history and politics. My brother, Ronnie, counted Lloyd a good friend, too. He has great respect for Lloyd. We'd like to think that they are together now planting a vegetable garden while remembering their days as ironworkers. May Lloyd rest in peace.
