“ *It hurts to lose a loved one, but it helps if you know they had a close relationship with the Lord. Margaret shared her faith with everyone she got to know. I was one of the lucky ones who got to know her. She always had a twinkle in her eyes, a kind word, a story, and a ready smile. She's free of all her health issues now and will be spending her next life even closer to God. Bless you, Margaret !*
