“ *Dear Family and Friends,*

*It was our privilege to know Mary for the last year and a half of her life. We enjoyed her presence in our home as Mary Ellen would bring her along for our Thursday night Old Time Music Jams. Mary was a delight with her quick mind and excellent memory. She always requested that we play "Redwing", so I learned it on the banjo and played it with Mary Ellen on the fiddle. She gave us great applause as our only fan. :) I will always think of Mary now when we play that tune. It really is the little things that make life good. We are also heartened in knowing that she had good christian faith. She is safe now. The Lord's promises are real and kept.*
