“ I am so sorry that my best friend of over thirty years is not by my side anymore. My heart is with all of you forever. You are my second family and i love you very much. The times we shared together are unforgettable and will always be with me. My love goes out to each and everyone of you. Momma if you need anything just let me know. Mark and Matt hang in there, she loved you very much. And trust me...she is still watching over you! So if you do anything wrong and you feel that little whack on the back of your head don't worry its just her letting you know she is still there...hehe Just a little humor. We all need it a little bit right now. May God be with all of you, and i love you very much.##imported-begin##Melissa Hughes##imported-end##

“ I thank you for you
I thank you my friend
Thank you for just being there
Thank you 'till the end
Thank you for the love of my daughter
Who smiled in such a way only find your innocence and compassion
each day
The time you shared together touches the bottom of my heart
As the time I spent in the distance
now is played by an angels harp
that cries out as new song
for everyone you left behind
Dearest Michelle forever
part of your heart touches mine
You saved me in a time of my life
when I could only reach for help
To understand the feeling I felt
I thank you for yourself###imported-begin##Scott Wilcox &

“ Linda, Mark & Matt,

Just wanted to let the three of you know that you are in my thoughts
and prayers, especially today as you prepare to honor her life this
afternoon. I so wish I was able to be there today. Please know that
you are not alone in your grief. Your mom and daughter was truly a
special person who had a big heart and whose love for all of you
was bigger than that smile of hers, a smile I will always remember
fondly. We are all better people for having known her.###imported-

“ Linda & Family,
My heart aches for all of you. My deepest heartfelt sympathy goes out to all of you at this very difficult time.
I have so many great memories of Michele & our group of friends from high school. I think we spent almost every day of our junior & senior together (probably doing things we should not of been doing) I will never forget her silly laugh & all of the fun we had together.
Boys, treasure the memories of your Mom. Linda, I too have a daughter in Heaven & I know your pain. Time will help ease that pain. Please know that I am here for you if you need someone to talk to that is walking this same road.
Love to you all,

“ I am so sorry for your loss. I was a friend with your mom, from when she worked at the Grande Ranch. It was such a shock to hear of her passing. She loved you guys so very much, and she always talked about you. She wanted to come out sometime to meet you guys, but I just never have had an opportunity. She will be missed greatly, and the love she had for people will never fade, because she was such a shining light of love and hope.##imported-begin##James Lowe##imported-end##

“ Met Michelle briefly and only worked with her about a week or so..But in that short time realized what a hard, honest, and conscientious worker she was. Her work is done, so now it's time for rest and peace. May her family enjoy all the great memories with her, and may those memories, with God's help, bring them peace also..##imported-begin##chick meech##imported-end##

“ I was shocked and saddened to read that Michele had passed away. I worked with Michele at ServPro of Wayne County a few years back. We worked side by side many times and she was a pleasure to work with. A hard working, dedicated woman. It had been a number of years since I had seen Michele when I left ServPro, but happened to run into her at a local insurance company, and what a pleasure it was~still the funny, warm and sweet lady I remembered. I am very, very sorry for your loss. I send up prayers of comfort for your family, and that God will wrap His loving arms around you during this difficult time.##imported-begin##Amanda E. “ Dear Linda, Mark & Matt, & Chet, What a shock for you all. Still cannot believe this terribly sad news. Michele is a wonderful person who will surely be missed by all who knew her. Her family meant everything to her. She was always bubbling and upbeat. We will always remember that wonderful pig roast she organized in her back yard in Lunenburg, MA. That was a great day all thanks to her and Chet. Please let us know how we can be of comfort to you all. You are in our thoughts and prayers.###imported-begin##Jane & Paul Poirier###imported-end##

“ My deepest sympathy in the loss of Michele. Such a tragedy. She will be truly missed by all who knew her. I worked with Michele at Servpro in Leominster, MA and shared many laughs with her over the years we were both there. I'd like to share one story with you. My little dog went missing one Sunday and everyone was keeping an eye out for her as they drove around to their work sites. I managed to get her back on Sunday, a week later, from the woman who found her. When I brought my little one into work that Monday, Michele was soooo happy to see her, she cried too. I will always remember that day as if it were yesterday. God be with you all, especially Mark and Matt who we all know Michele loved more than anything. My prayers go out to all of you. Mary Ann
