The Schaffter Family wishes to extend our deepest sympathy in the passing of your sister and Aunt. I (Pat) spent many hours through the years talking to Norma on the phone. She always kept things very exciting talking about her trips and her love of various glassware, etc. She did love to talk!

“ My mom (Charlotte Hartman) talked with Norma often on the phone about Fenton and family. We were just talking about Norma the other day. I worked with Norma at Mr. Wiggs years ago. Mom has a lot of fond memories of Norma. She remembers when Norma would stop by and visit her as far back as when Norma was in high school. We were sad to read of Norma's passing. She was a great lady. We both had a lot of laughs with Norma!! Our thoughts and prayers are with her family at this difficult time.
