“ Dear Jeff, Brandon and Liz Pickard, Bree and Cameron Higgins, Becca, Caleb, and Nicole,

Their are only two women in this life whom I ever loved deeply for all eternity. My wife and Patricia Miller Pickard. It was my honor to be her fiancé and almost her husband. We met at Northwestern College in Roseville and it was love at first sight.

Patty was a sweet, loving, and exceptional woman of faith. To all who knew her a thoughtful, loyal, and caring friend. I have never forgotten her and I never will.

It warms my heart to know that she had a wonderful life filled with loving family and friends. That was her wish. Before ANY OF YOU WERE BORN or a part of the family SHE LOVED YOU WITH ALL OF HER HEART - I know this - that was Patty.

You are Patty's treasures and her legacy now lives on in you. While the Lord has taken her home physically - through honor and remembrance she is with you forever.

I am sorry my message comes late - I only found out about her passing this morning. She was far too young and none of us were ready to see her go. I share in your pain and grief.

Your family will always be in my prayers. Take solace in knowing that she is in the presence of God and this is not a final goodbye - rather - until we meet again. God Bless You All - I will always remember her and love her to the end of my days.

“ Jeff,
So sorry for your loss. I am truly sorry I didn't know until just now. She was always so sweet. We wouldn't see each other for a while and when we got together it was like we never were separate. She was such an inspiration for my family in poultry. She will be missed

“ It is hard to know how to express the loss and sadness of losing our precious daughter-in-law. Patty and I communicated often about family matters and about the Lord. We loved to shop in Amish country and go out for lunch. My hope is that our wonderful grandchildren will always know how much their Mom loved them and loved the Lord. We all need God's comfort and peace at this time.

“ I worked with Patty via the internet and instant chat between My Pet Chicken and Meyer Hatchery. It is amazing how well we got to know each other in such a short time and while separated by such distance but even so I was keenly aware of what a kind and gentle woman she was. I am overwhelmed at the loss and my heart goes out to her family. You all are in my prayers.. Love, Joyce

“ Jeff,
I was very shocked and saddened to learn of Patty's passing. Patty was such a great friend.

She welcomed me into her life and home with a smile and no judgement. She taught me how to quilt, how to make soap, to be more patient, and she made me want to be a better person just by being around her.

I am a much better person for knowing Patty.

I pray peace for your family. The hole she is leaving his large.

“ *I baby sat for Patty and her siblings when Leo and Rosemary lived in Dodge Center our families were good friends. Patty was so cute and such a nice little girl a precursor to what I am sure she grew up to be as a woman. My sympathy to all of her family. Dawn Wobschall (Lermon)*

“ I am so sorry for the loss of your dear Patty. I hope you find some comfort in knowing Gods promise to reunite us with those we've lost again on a restored paradise earth. Gods word goes on to tell us that at that time there will be no more sickness, pain nor any death. What a wonderful promise we have to look forward to. “ We had many special times together meeting in their Coshocton home for meals, worship, word, fellowship, and of course... Veggie tales. Her love for Jesus and His children was exemplary.
