“ My dear friends, my heart is grieving for you. Patti was a very special friend to me. I haven't seen her in so many years, but my childhood memories would not be the same without her in them. We spent endless hours together playing together, riding bike, making mud pies, riding the school bus together and playing "horsy". My mom made us matching purple ponchos! I wish we could have connected in our adult lives. You are all in my prayers during this difficult time. Jesus care and He knows our heartache. Sending my love to you, Joyce and to your family.###imported-begin###Joyce Giles Crocker###imported-end##

I cannot even imagine the grief that you are feeling now as you are experiencing every mother's greatest sorrow. I can only hope that memories of Patti will surround you and comfort you.
