“*Susie, Bill & I get The Daily Record here in FL. Sorry to read about your father. We didn't know him, but knowing that "He loved spending time with his children & especially his grandchildren," we know he'll be missed by many. As we get older, 86 doesn't sound too old, so we trust you had many good years with him. Lee (Benson) Patterson*

“ Dear family members of Paul,

Roy and Donna Flickinger told me of the passing of Paul, who was my first cousin. I have lived in South Carolina for many years and had no recent contact with him.

May the Lord bless each of you during this difficult time.
