“Ralph and I are brother in laws but brother in deed we are. Ralph and I also worked together for many years and had many adventures together, which make me smile to this day of all the good times we had working and laughing thru them all, no matter what came our way. I want the family to know I always love them, and pray for them in this time of sorrow. We all must leave this world some day and we can only hope we have as full life as Ralph. God bless and keep you all.

“ *Ralph love right beside me until they moved to Ohio, I kept asking everyone wonder when Ralph and Cindy is going to move back home. I missed them so very much. Now feels so unreal but God gained a great Angel, love you always Ralph you were like a brother to me. My thoughts and Prayers are with Cindy and the boys and his Dad Robert, those sweet little Grankids. You will be missed by many of your family and friends.* ”

“ I love this family so much. Most of them are more like family to me than some of my own family. I hate to see you all going through this. Wish I could be there for you more during this tragedy.

“ Ralph Thacker is one of the best men I have ever known. I feel so truly blessed that I've been a part of the Thacker family for the past 11 years. I couldn't have asked for a greater father-in law. We are blessed that we have so many memories and almost all of them are of us laughing. Ralph will be greatly missed but we know he's in heaven and we will see him soon. Love you so much Ralphie Poo.
