“ So sorry to here of Uncle Ralph's passing. From as long as I can remember he was always such a "good time" kind of guy - always laughter around when he was there. I haven't seen him but a few times since moving to SC but he was always the same. My family's thoughts & prayers are with you. May God's peace, His comfort, and His strength be with you during this time - and may His voice draw you closer to Him. Ron##imported-begin##Ron Forrer##imported-end##

“ Jan, please know that you are in my thoughts as you travel down this road. Many times we forget the good times and dwell on the present heartaches. There are times when you just want to talk and when that time comes, give me a call and I'll meet you for lunch or even a trip to a casino. You are my friend and if you need me, please call.
