“ The one guy who gave me a shot at a job when I was at my lowest point in life. Always had a smile and a "Hello Brent!" "How are you doing?" A great man.

PS

“ "Big" Bob will be truly missed. He was an influential figure in my life that listened with interest to all my dreams and plans for the future and sincerely felt that I would be able to accomplish anything I put myself up to. I'm only sad that I had moved so far away in adulthood so that he wasn't able to be part of my life and see those accomplishments firsthand and share in my joys, but I know that his support never waned and I pray for his family that in time this grief shall pass and they are able to remember they have been blessed to have a soul like Bob to share in their life.
