“ Dear Bonnie and Family,
Want to tell you that I'm sorry for Roger's passing. I always thought a lot of Roger. He as well as Bonnie were always very nice to me. My parents were good friends. A young girl grows up but she doesn't forget those who shape her life. I was so lucky that my parents had a friend like Roger. Thanks for the memories. You will be missed. “ We are going to miss seeing Roger. He was a crazy man and I really enjoyed visiting with him. Every time I walked in the Legion he would look at me with that ornery grin and say "hi wine head". That was his nickname for me. Bud and I send you our sympathy and say he will be missed.

“ *Uncle Roger was one of a kind. He was always very ornery and told you exactly what he was thinking. You didn't ever have to guess what he had going through his mind. He would just say it. He always just excepted me for who I was and I did the same for him. He was always ready to give out hugs and kisses and show you he was glad to see you. I have wonderful fun memories of holidays and family times together. Lots of teasing, Euchre and harassing each other, but also lots of love and appreciation for our time together. His famous saying "It is what it is" was exactly how he looked at life and people. I will miss him and all the fun we had together. Love you Uncle Roger!*

“ *Bonnie & Family,
We are so very sorry to hear of your loss.
Roger was a great man. Always had an
ornery smile. He would always give me a hard
time when Dave & I were in the legion (& of
course I gave it right back to him) :). I don't remember a time
where he was not smiling or being ornery & that's one of the things
everybody loved about him. You are in my thoughts & prayers.
