“ Roger's Christian life was a real blessing to me. I was always too afraid to bow my head to pray before lunch at school. But I noticed that Roger just went right ahead and bowed his head to pray. That was all it took to encourage me to do the same. I sure wish I could have been at the viewing and funeral services. May God bless you Nancy each day with grace and strength as well as the family. I don't know if you remember that Carl Good and I visited Roger in your home a couple of years ago.

“ Roger was a man of prayer. He diligently sought after the heart of God and inspired many others to do so as well. He ran a good race, he kept his eye on the prize, and he surely finished well. His integrity is reflected in the character of his family. We were thankful to know him and grateful for the way he influenced our lives. We pray for the peace of the Holy Spirit to comfort the family. Linda and Mike Imhoff

“ *'Herm'...do you recall when you and your brothers brought ice skating to all of us in Overton. I recall the many times we rode to basketball practices together...your 'wonderful' laugh...your sense of humor...your dedication...but most of all...the goodness and kindness that was you. I will miss you my dear friend, classmate and teammate. I am a better man because you were a part of my life. Thank you 'Herm'.*
