“ Sherri-

You were a great nurse to learn from and to work with. We had a great team at WCH and many laughs...

We were talking about tattoos and Sherri pulls me into the med room to show me her rose on her hip. Well, she pulls down one side of her scrub pants and there's no tattoo, just her Estrogen patch. Sherri looks back and exclaims, "Oh, d... it's on the other side!"

Sherri would wear her Estrogen patch if she wasn't losing it... One night Sherri sat down, put her feet up, stated that her Estrogen must not be working because she had been having hot flashes all night and even her ears were hot. We all looked at her and yes her face and ears were indeed red. But it was Candi Kinney that noticed that Sherri's Estrogen patch wasn't working because she had been wearing it on the bottom of her shoe all night!

Thanks for all the great times at work. Most of all thanks for your friendship. Love ya.

Cindy,

My thoughts and prayers are with you and your family.##imported-begin##ReBecca Crawley##imported-end##

“ Dear Cindy and Family,
I will miss Sherri and am sorry we never got to have our lunch at Red Lobster. I have been praying for Sherri and know that she is in Heaven and pain free now.
Thank you Cindy for bring your mom back to Wooster Hospital. I know it was a difficult decision for you but it made it easier for us all to visit her and we appreciate your thoughtfulness.
I was glad that your whole family could be with Sherri. I know it made her last days more comfortable with your loving support.
It has been an honor to know you and please keep in touch and let me know how you are all doing.
Love, Linda Babulski##imported-begin##Linda Babulski##imported-end##

“ Wow, I never thought I'd be writing another one of these so soon. I am so sorry and my heart goes out to all of us. I am glad for one thing though, that Sherri has a new, perfect body; free from pain and worry. One of my first memories of Sherri was when we visited FL and saw Santa Claus on the boat in the canal; and swimming in the middle of winter. We always had so much fun getting together there. And more recently our family gatherings for birthdays in July at Dad & Mom's place. I was looking forward to our next round of "Catch Phrase" this coming July. I guess that will have to wait until we all meet again one day in Heaven.##imported-begin##Patty (Wells) Traylor##imported-end##

“ God saw that she was getting tired and a cure was not to be. So he put his arms around her and whispered "Come with me". With tearful eyes you watched her suffer and saw her fade away. Although you loved her dearly, You could not make her stay. Her golden heart stopped beating. A determined spirit was at rest. God broke your heart to prove to you He only takes the best.

Remember our promise.....Meet me behind the moon. I love you Momma###imported-begin##cindy rhodes##imported-end##
