“ Although I didn't not have the ability to know Susan personally, I went to school with both of her children, Tony, and Christy. I just wanted to tell everyone in the family that you are all in my thoughts and prayers and I carry you in my heart through this hard time. I am sorry to not have known the family very well, but I am grateful to know them as being kind and sweet and talented and generous. I'm sure they have learned all of these traits from their mother. If you need anything, feel free to let me know. I am on facebook, and have e-mail as well.

Sincerely,
